ALLARD'S REACTION TO PRESIDENT BUSH'S ADDRESS TO NATION SAYS PRESIDENT SPEECH POWERFUL AND DECISIVE

Washington, D.C. – U.S. Senator Wayne Allard (R-CO) made the following comments this evening concerning President Bush's National Address regarding Iraq.

“President Bush made a powerful speech regarding Saddam Hussein's refusal of all the options of peace offered to him,” U.S. Senator Allard said following President Bush's address. “We have given Iraq days, months even years to meet the demands of the United Nations, instead Saddam continues to build weapons of mass destruction and now faces the consequences.”

“I agree that peace failed because we are not dealing with peaceful men,” added Allard.
